1. 1st Rabeel Awwal = Sunday 24th August.
2. Sometimes a holiday can become disastrous leading to even sudden death. May Allah grant us all protection. However, as a form of spiritual protection, all holiday makers must ensure that they neither compromise with the Islamic modest attire nor with the five daily Salats throughout the holiday period.
3. Kindly keep the following authentic sayings of our beloved Nabi صلى الله عليه وسلم in mind at the time of celebrating a wedding: -

“There are two types of sounds that are accursed both in this world and in the next. The sound of music during a happy occasion and the sound of wailing during a sad occasion” (Bazzar & At Targeeb)

“There will be earthquakes, transfigurations and environmental disasters in this Ummah. A man asked “O Prophet of Allah! When will this occur?” He replied “When musicians and music become popular and intoxicants are consumed” (Tirmithi)
